Rev. Lori Miller, Pastor

Dear Crafter,

The annual Newtown United Methodist Church Fall Arts and Craft Fair will be held on Saturday, October 19, 2019, from 10:00 a.m. to 4:00 p.m. We are pleased to announce that this year's juried craft fair will again be at the Reed Intermediate School in Newtown, CT. The Reed Intermediate School is conveniently located off of exit 11, halfway between routes 34 and 25. We have been running our fair since 1992 and are a well-recognized and anticipated event in the community.

If you are interested in participating, please complete the attached application form **as soon as possible** to secure a booth space. PLEASE NOTE: we offer a limited number of half-sized (9 X 6) interior booths. All corner and wall booths will only be offer at the full 9 X 12 size. Half sized booths may work better for those crafters who do not have large exhibits displays.

We look forward to receiving your application. Please remember that all work must be handmade. Our jury will select approximately 40 exhibitors for the show. The jury process is conducted on rolling bases. **Applications are reviewed in the order that they are received.** Applicants will be notified after review.

If you have any questions or desire additional information, feel free to contact the church office at (203) 426-9998, or Kerri at mike.kerri@att.net. Additionally, applications and pictures of the Reed Intermediate School can be obtained at <http://thefair.numc.us>.

Sincerely,

NUMC Craft Fair Committee

APPLICATION PROCEDURES

It is extremely important that you fill in the application **completely**. For jurying purposes, we need a concise description of your work, e.g., "hand-painted stoneware," "cotton or silk clothing," "turned wooden bowls." Please remember that your work must be handmade. It is essential that you describe your work thoroughly. Any details of your arts and crafts would be beneficial. Please also note high, low and average price range of items intended for exhibition.

Three (3) pictures displaying crafts for exhibition must be provided for jurying. Material, size and **actual price** of crafts shown on the pictures must be referenced. **The pictures should be proportionally representative of the work you plan to exhibit and the various price ranges of your crafts.** In addition, one (1) booth picture must be provided for a total of four pictures. Applications will not be juried until all four (4) pictures are received. Pictures can be emailed to mike.kerri@att.net along with the application. If you email your pictures, please make certain that you include your name and a description of material, size and price in the email for each picture. Please make a notation on the application that your pictures have been emailed. Due to the importance of the pictures, please make certain the pictures are of a good quality. If you mail your pictures, please number them 1 - 4, write both your name and business name on each one and indicate the top, front position. Please do not send samples, as they will be returned unopened.

Please complete the application and mail to NUMC or email to mike.kerri@att.net. If selected, you will be required to sign and return an exhibition contract and a **non-refundable** booth fee, dependent upon the number of booths and size contracted for.
